

Company Description

Kronos helps organizations manage their most valuable, and expensive, strategic asset — their workforce. How? By giving them the tools they need to help them control labor costs. Minimize compliance risk. Improve workforce productivity. And deliver quality care. The easy-to-own workforce management solutions from Kronos make complete automation and high-quality information a reality.

Our time and attendance, scheduling, absence management, HR and payroll, hiring, and labor analytics solutions give Kronos for Long-term Care® customers the edge they need to compete in the marketplace. With thousands of installations in organizations of all sizes – including over 4,200 healthcare facilities – we’re proving workforce management doesn’t have to be so hard.

Kronos for Long-term Care helps you and organizations such as Brookdale Senior Living, Genesis Health, Health Care Management Group, Kindred Healthcare, Golden Living, Extendicare, Americare, ResCare, and Emeritus Assisted Living deliver the highest quality resident care while controlling labor costs, minimizing compliance risk, and improving the productivity of your long term care workforce.

Put Kronos for Healthcare to work for you.
