

Company Description

Sodexo, Inc. (www.sodexoUSA.com) is the leading provider of integrated food and facilities management services in the U.S., Canada and Mexico, with \$7.6 billion (USD) in annual revenue and 130,000 employees. Sodexo serves more than 10 million customers daily in senior living communities, corporations, health care, schools, college campuses, government and remote sites.

Clients and customers entrust Sodexo to create an outstanding experience for the people we serve. Sodexo's 130,000 U.S. employees focus their talents, expertise, and unique perspectives on making every day a better day for clients, their customers and for each other. That's what it takes to be the leader in integrated food service and facilities management.

Memorable dining, a more vital lifestyle, or a better maintained asset. Sodexo knows what it takes for each unique situation.

Sodexo's goal is to drive greater satisfaction. Every day. Meeting our global responsibilities and the needs of our communities and our world is a part of who we are. Diversity and inclusion, sustainability, wellness, and fighting hunger are fundamental to Sodexo's commitment to making every day a better day for us all.

Geographic Area Served: U.S. & Canada

Segments Served: SNF, AL, IL, CCRC

2010/2011 Product & Service Innovations

- **HealthAbility™:** An outcome-based holistic wellness initiative designed for retirement and healthcare providers with a focus on increased health and longevity for residents, while increasing profitability and sustaining brand differentiation for clients.
- **Reinventing the Residential Dining Experience:** We offer a sophisticated approach to meeting the needs of an increasingly demanding consumer and their families.
- **Creating an Engaged Workforce:** Successful Diversity and Inclusion initiatives create attractive climates for engaged workforces – learn how we help our clients meet these business challenges.

Suggested Consultative Discussions

- **Effective Business Partners:** We will share with you what successful organizations across the country are doing to ensure optimal outcomes when partnering with service organizations.
- **Facilities Management:** Learn how you can maximize the physical assets of your organization.
- **Decreasing Regulatory Risk:** Decrease your regulatory risk while delivering nutrition solutions that result in healthier, happier residents and delighted families.
